## GRAFTON BOYS ARE DEFEATED

A fast game was played at the ball park Saturday between the Grafton and Clarksburg high school football teams. The Grafton bunch outwitted the home players seventeen pounds to the man, but our boys were too fast for the visitors and in the first few scrimmages demonstrated their superiority.

The final score was 11 to 0 in favor of the Clarksburgers.

Before the game started all believed that the Grafton boys would walk all over our lighter team, and many bets were offered against them but as soon as the game started the bettors' line changed. When there was only three minutes to play in the first half Kyle, the time for a touchdown and Harrison kicked the goal. About the middle of the second half Deisen made a 10-yard run for a touchdown, but the goal kick missed. The home team had a clear field for another touchdown at the next kickoff, but the runner was tripped by the spectators.

The Grafton boys made their ten yards on downs but twice, and on forward passes at that while the home players were held for downs but once. The Osborns and Harrison did good work for the home team and Lanham's playing for the opponents was fast but weakly supported.

All were satisfied with the work of both teams and the game was a clean one.

Should convince the Greatest Skeptic in Clarksburg.

Because it's the evidence of a Clarksburg citizen. Testimony easily investigated. The strongest endorsement of merit.

The best of proof. Read it: D. P. Griffin, grocer, of 130 West Pike street, says: "Some three years ago I first noticed a dull tired aching across my back during the day and lameness and soreness in the loins at night. Finally it bothered me more or less all the time and compelled me to look for something to stop it. An advertisement about Doan's Kidney Pills and their recommendations accompanying it so attracted my attention that I went to Wells & Haymaker's drug store for a box. The aching soon disappeared and what is of much more importance to me I have not noticed a sign of its recurrence."
